Reliable, Soft Water
for Your Home and Family

Profile Series Water Softener

- Sparkling glassware
- Cleaner laundry
- Fewer appliance repairs
- Better water heater efficiency
- Save money on cleaning products

The Profile Series water softener line is a smart choice for homeowners.

Powered by Pentair. Made in the USA. You get high quality at an affordable price.

The digital controller is simple, and easy to use. But don't let that fool you. Our trained installers can dial this system in to your exact water conditions.

You get a smart solution to hard water problems - that helps save you water and salt.
